220 East Forsyth Street, Suite A1
Jacksonville, Florida 32202

Dear Mr. Tocknell:

Thank you for inviting me to speak on the panel at the APA Florida 2009 Conference. I found the discussion very enlightening.

It was a wonderful opportunity for me to share the history and our vision for the Cecil Commerce Center. This facility will not only to help spur the economy of Northeast Florida, but I hope it will also serve as an example for other communities to follow.

I was impressed by the large turnout of planners at your event. It's apparent that the programs were beneficial to the group. The city appreciates the work you put into bringing this important event to Jacksonville.

Sincerely,
